

## GastroHealth Hobart – Current Consultation Fees & Rebates

As a private billing practice our fees are payable at the end of each consultation. Our Drs allocate the appropriate Medicare Item Number to our reception team for billing and lodgement of Medicare claims.

All appointments may have an out of pocket expense. Our consultation fees will vary depending on the consultation type and if you hold a valid concession card.

Appointment fees are to be paid on the day of your appointment. We do not issue accounts.

Our reception staff are able to process your Medicare claim on the day of the appointment if you have your bank account details lodged with Medicare.

To obtain a rebate from Medicare all patients must hold a valid referral and Medicare Card.

A copy of our practice policies is also included with this letter – we ask that you please read this document carefully.
